Location

The School of Agricultural Engineering of Barcelona (ESAB) is located in the Campus of baix Llobregat (CBL) of the Universitat Politècnica de Catalunya (UPC BarcelonaTech) at the city of Castelldefels in the delta area, beside the Canal Olímpic. The faculty moved from Barcelona center to Castelldefels eight years ago.

Access

1. By train: Train station of Castelldefels. Four to six trains per hour departing from the city center stations of Passeig de Gràcia and Sants. Castelldefels belongs -as Barcelona- to the first zone of the integrated Fare System of the Metropolitan Area. The option is: T-10 1 Zona, 9,80 for ten travels with free connections with other integrated lines during 1,5 hours (metro included). Duration of the trip: 25-30 minutes and 5 minutes walking. All trains with final destination to Sant Vicenç de Calders, Vilanova i La Geltrú, Sitges or Castelldefels stop at Castelldefels.
2. By car: Motorway C-32: exit 46 and dual road C-31: exit Canal Olímpic. Parking beside the Canal Olímpic. Duration of the trip: 15 minutes from the Airport and Fira de barcelona; 25 minutes from Barcelona city center.
3. By bus: the faculty is also accessible by local and metropolitan buses but the different lines are not useful enough.

¡Remember that all you have to sign the attendance list every day of the meeting!
